ORDERS IN COUNCIL.

AT THE EXECUTIVE COUNCIL CHAMBER.

VICTORIA, 7th February, 1917.

PRESENT:

THE HONOURABLE THE ADMINISTRATOR IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, the Honourable the Administrator of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, Turkey, or Bulgaria, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, Turkish, or Bulgarian subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subject, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, Turkish, or Bulgarian subjects resident in Canada at the commencement of the war and during the war.

And that the Orders in Council herein, Nos. 741 and 1201, be rescinded.

DOMINION ORDERS IN COUNCIL.

[736]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 17th day of March, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS, owing to enlistment for overseas service, there is now throughout Canada a great scarcity of farm labourers, which, coupled with the diminution of land prepared for seed, will result in greatly decreased acreage under cultivation unless steps are taken to improve the condition in this regard; and

Whereas it is believed that there are in Canada and the United States many young men who would work as farm labourers if the time so spent were allowed to count as residence upon homesteads entered for by them; it being recognized that by working for a farmer who has all necessary stock and machinery, young men of the class mentioned would help to augment the agricultural output to a much greater extent than if they spent their time on their homesteads hampered by lack of stock or machinery;

Therefore the Governor-General in Council, in view of the foregoing and under and by virtue of the authority conferred upon him by the "War Measures Act, 1914," is pleased to order that the regulations for the survey, administration, disposal,

and management of Dominion lands within the 40-mile Railway Belt of the Province of British Columbia, as established by Order in Council of the 17th day of September, 1889, and amendments thereto, shall be and the same are hereby further amended as follows:—

Notwithstanding anything contained in the said regulations or the amendments thereto, during the remainder of the year 1917, the holders of homestead entries who are employed as farm labourers within the Dominion of Canada may be allowed the period of such employment as a like period of residence in connection with their respective entries, subject to the following conditions:—

1. The time of employment to be counted as residence duties must be subsequent to the actual date of entry in each case.

2. The provisions of this order shall not apply to unperfected proxy entries, nor to any case in which the entrant is engaged in any other employment than actual farm labour.

3. As soon as possible after the entrant commences work, it shall be his duty to forward to the Agent of Dominion Lands for the district in which his land is situated, sworn evidence satisfactory to the Minister of the Interior giving particulars of the land held under entry, the nature of the work performed, where performed, date of commencement, and probable duration.

4. Within thirty days after the term of employment has expired, and in any case, not later than the 1st of February, 1918, the entrant shall file with the local agent for the district sworn evidence, satisfactory to the Minister of the Interior, of time actually spent on farm work.

[572]

5. In the event of the cancellation of any entry for default in the performance of the conditions thereof, nothing in this order shall be held to confer any right or claim upon the former holder of any such entry, who, being engaged in farm labour in Canada as aforesaid, has failed, prior to the date of cancellation, to notify the Agent of Dominion Lands for the district of the fact of his being so engaged.

6. The entry of any person complying with the foregoing provisions shall not, during the period of his employment on farm labour, be liable to cancellation by reason of his failure to perform the cultivation required in connection with his entry.

7. Notwithstanding anything contained in the said regulations or the amendments thereto, the cultivation required to earn patent in such cases may be performed in two years instead of three.

8. In any case in which the Minister of the Interior is not satisfied as to the *bona fides* of the case, he is authorized to withhold the benefits provided for by the foregoing.
